Tangram Pieces Cutting Guide

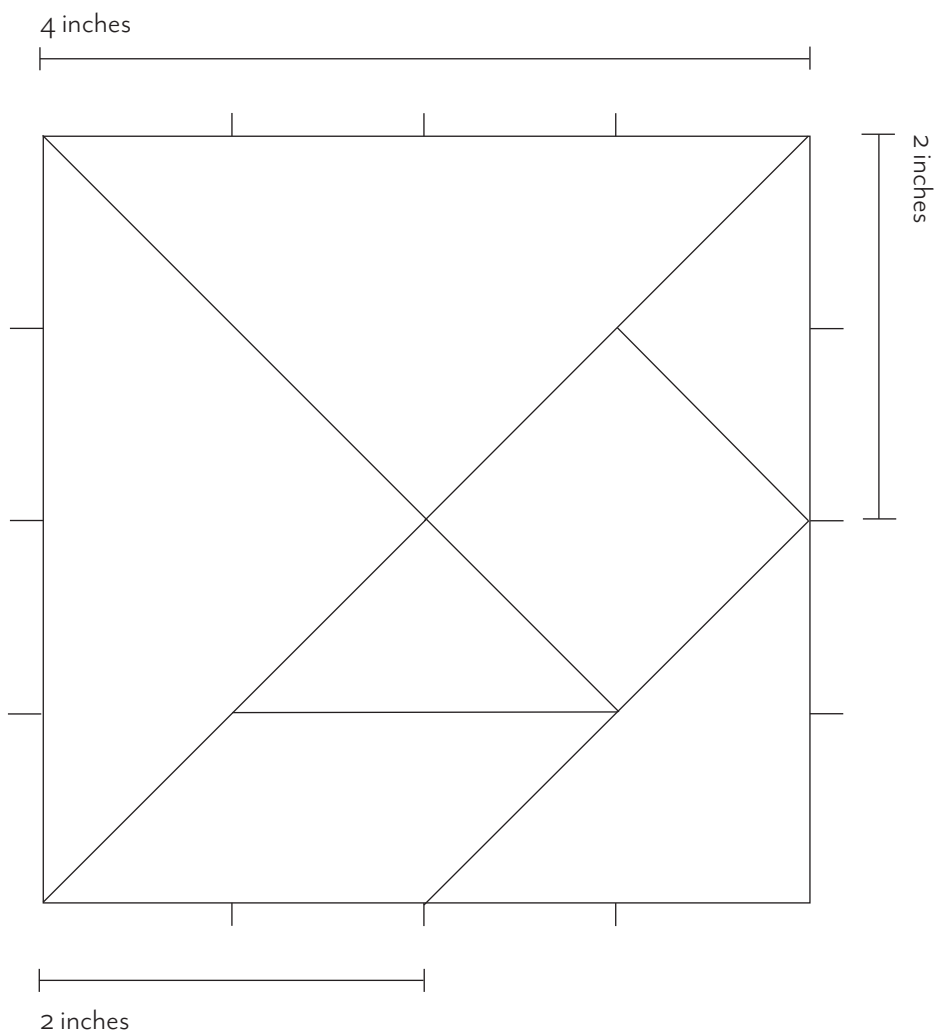

Tangram Pieces Template

Colorful Tangram Pieces

Solid Tangram Pieces

Colorful Tangram Cards

Solid Tangram Cards

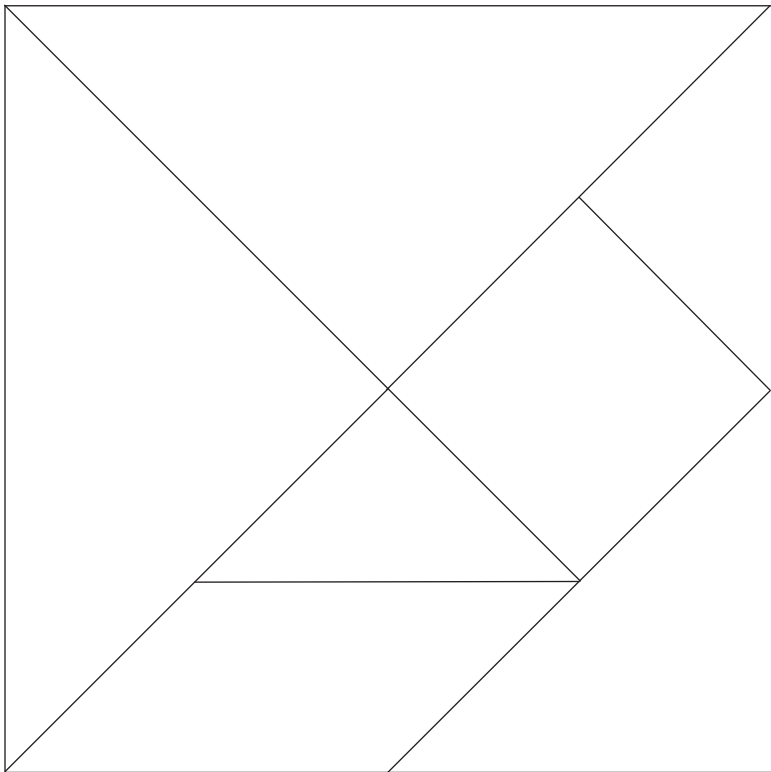

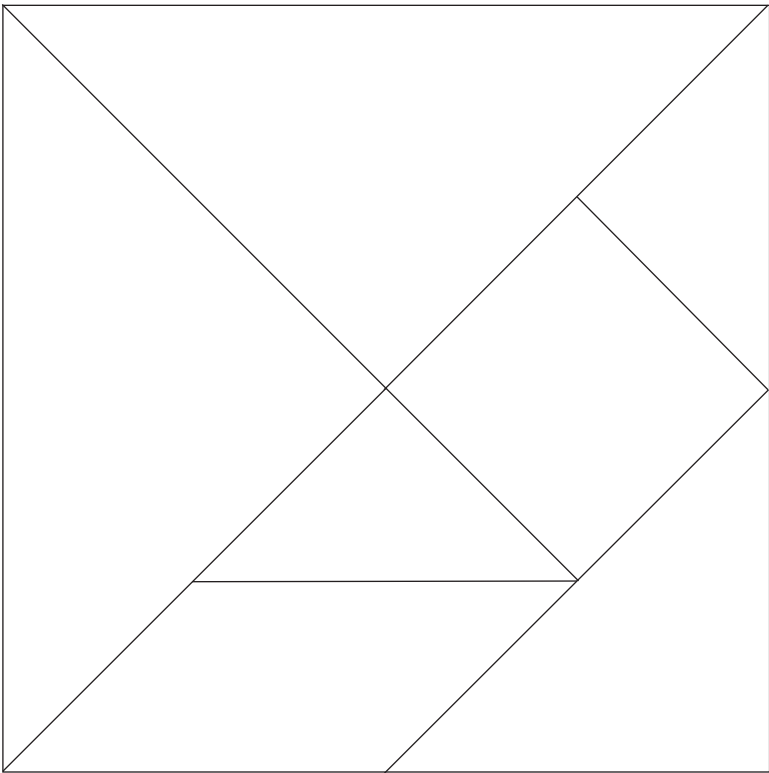

You can easily measure out the pieces for your own tangram pieces; measure a square that is 4 inches, and then mark along the edges at every inch. These will be points at which you will connect the lines.

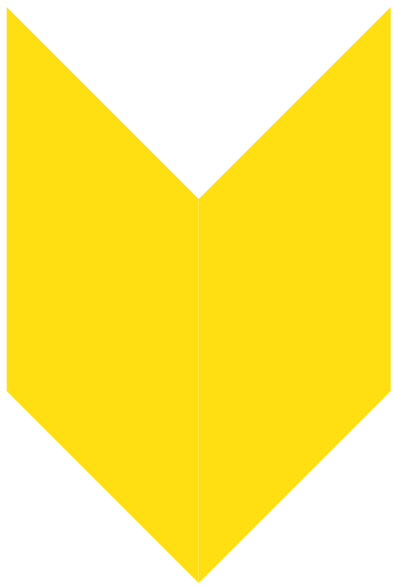

** Note that you will be using both sides of the parallelogram, so keep that in mind if you are coloring the paper - this shape will be double-sided.

Tangram Pieces Template

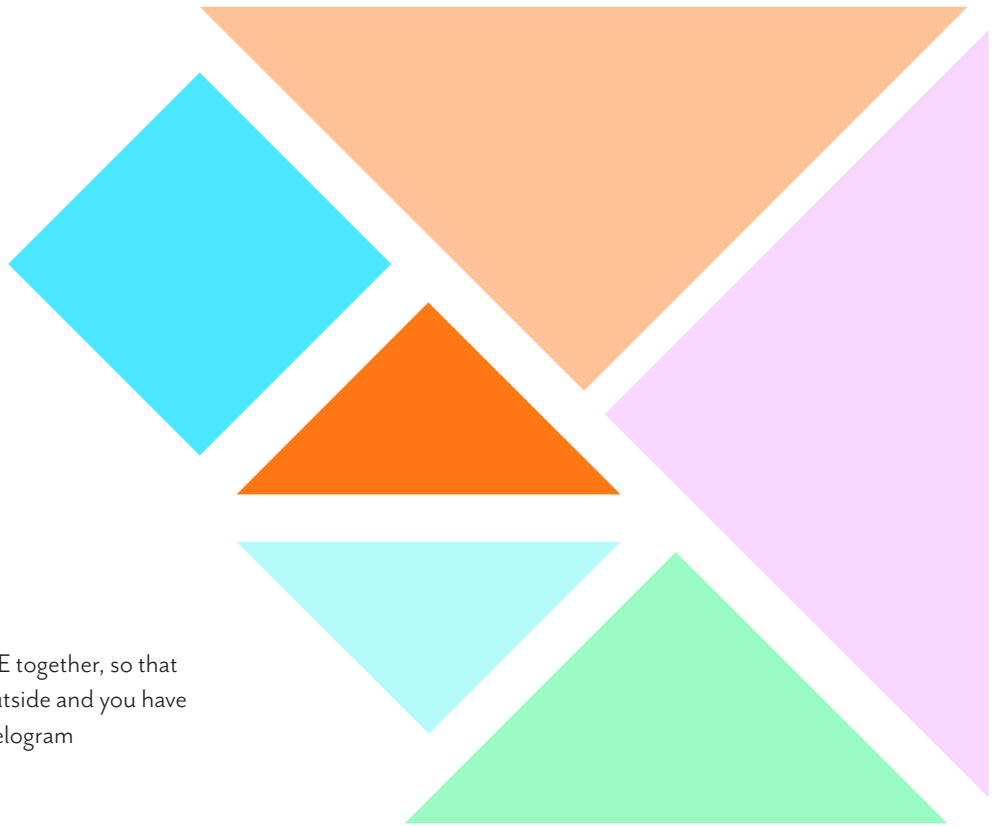

PRINT and CUT neatly and carefully on the solid lines. There are 2 sets.

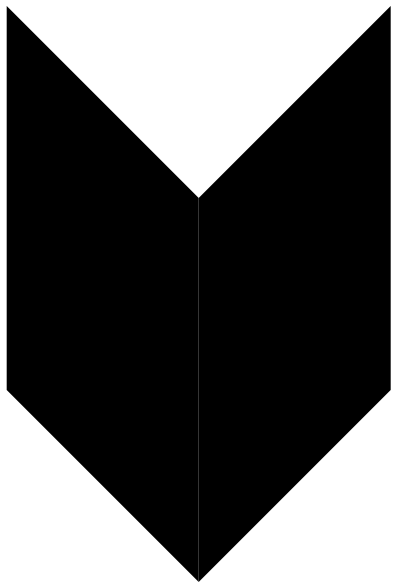

Colorful Tangram Pieces, CUT on edges

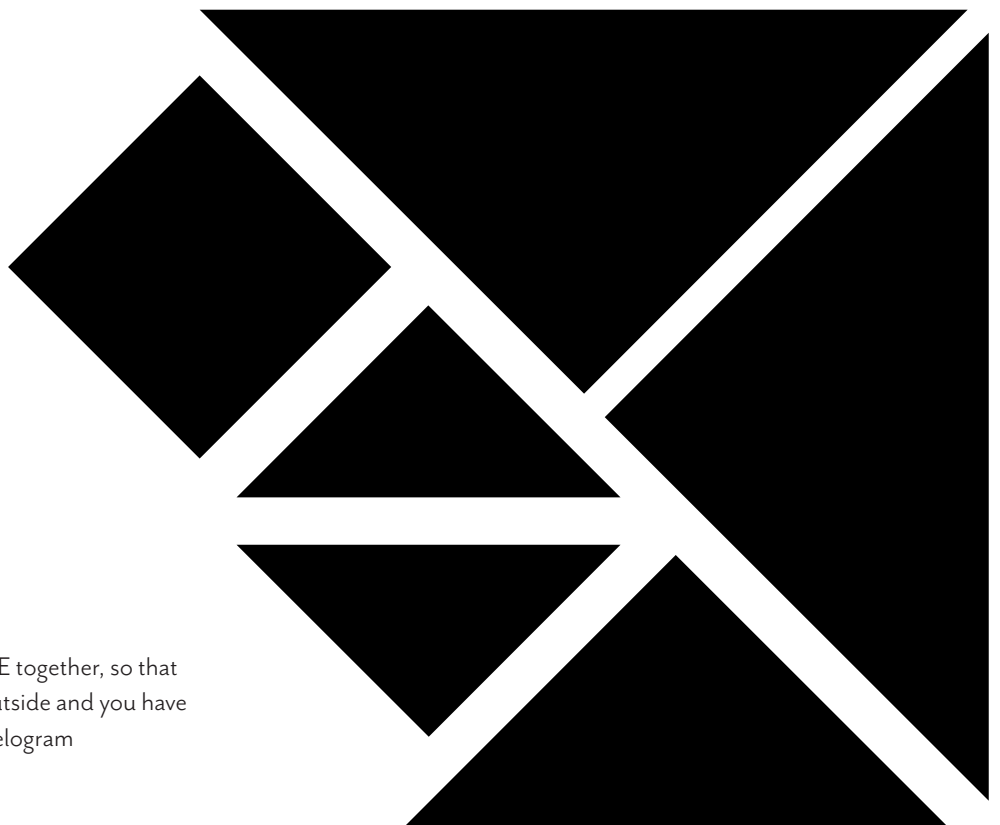

FOLD here; and GLUE together, so that the yellow is on the outside and you have a double-sided parallelogram

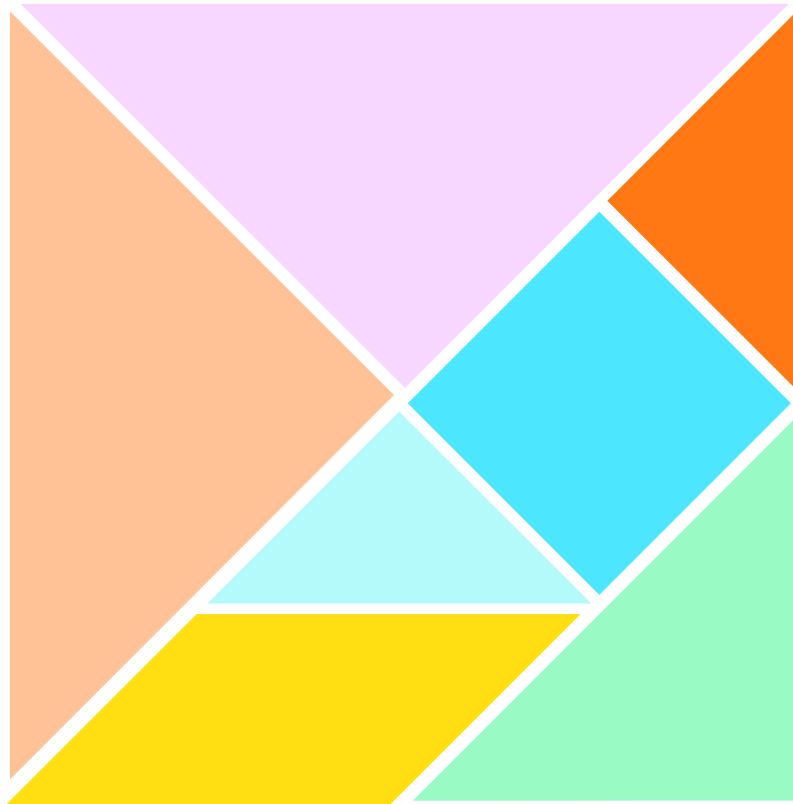

Solid Tangram Pieces, CUT on edges
